

13 May 2025

Dear Clients,

## WE'RE EXCITED TO SHARE SOME FRESH NEWS

**Ashton** is evolving.

As part of our continued growth and focus on delivering forward-thinking financial solutions, The Ashton Group is now officially trading as **AshtonEdge** – a fresh name with a brand new edge, featuring the same trusted team, expert service, and commitment to your success.

It's a small change with a bold intention - to reflect better the sharper insights, proactive service, and modern strategies we bring to your business. And, with the new name comes a new look. Meet our updated logo:

**ASHTONEDGE**  
REGISTERED AUDITORS AND ACCOUNTANTS

Rest assured, nothing else is changing - Just a new **EDGE** to who we are, a reflection of our sharper focus on strategy, innovation, and support for our clients.

Please note that this is a brand update only. There are no changes to our legal entity, banking, or invoice details. Our registration particulars with the relevant authorities or governing bodies will also stay intact.

It also gives us great pleasure to further announce our newly formed association with "The Core Group", a multidisciplinary platform that enables its members to access the latest developments and available innovations in the ever-evolving world of accounting, auditing, and taxation. We are confident that this association will benefit our clients, and you can expect detailed communication regarding this exciting development soon.

We're grateful for your continued trust and are excited to take these next steps with you.

Wishing you all the best.

Kind regards.

The AshtonEdge Team

**André, Henry, Willie & Clovilde**
